

# Review of disability policy in Canada (3<sup>rd</sup> ed.)

It is with pride and pleasure that I announce the release of the 3<sup>rd</sup> edition of the [Review of disability policy in Canada](#) – an annotated guide to legislation explicitly addressing disability issues in all 14 jurisdictions in Canada (federal, 10 provinces, 3 territories). The 3<sup>rd</sup> edition not only provides an update to December 2017 (over the 2<sup>nd</sup> ed. - 2013); it also offers three new features:

- It includes the three territories for the first time;
- It includes live links to government websites where legislation is administered;
- It is formatted for screen-reader accessibility.

Please feel free to copy, distribute, download, and share it. ***It's for you!***

*A vision of Canada where people with disabilities enjoy full participation and citizenship, supported by a coherent framework of legislation, regulation and programs.*
